Fund: Animal Damage Control (0052-00)

Sources: Cash transfers from Fish & Game Department. The state controller shall annually, by August 1 of each year, transfer the sum of fifty thousand dollars (\$50,000) from the fish and game account to the animal damage control account. Beginning July 1, 1997 and each year thereafter, the state controller shall transfer an additional, fifty thousand dollars (\$50,000) from the fish and game account to the animal damage control account by August 1 (§36-112).

Uses: Used exclusively as trustee and benefit payments to the five Animal Damage Control Districts in Idaho. Moneys are subject to appropriation to the state animal damage control board established by section 25-128, Idaho Code, for the control of predatory animals and birds. The additional moneys transferred shall be used for three (3) years beginning July 1, 1997 to fund animal damage control efforts, in conjunction with research projects to best accomplish the protection of upland game and big game animals from predation. Upon the completion of the three (3) year period, the additional moneys transferred annually shall be added to the animal damage control account for use and appropriation.

Fund: Agricultural Smoke Management (0183-00)

Sources: Any person who applies to the Department for an agricultural burning permit to be conducted in the ten northern counties (Kootenai, Benewah, Boundary, Bonner, Shoshone, Latah, Clearwater, Nez Perce, Lewis or Idaho counties) shall pay to the Department a fee of two dollars (\$2.00) per acre of cropland to be burned. The Department shall remit all fees monthly to the State Treasurer, who shall deposit the moneys in the State Agricultural Smoke Management Fund. The 2003 Legislature expanded the fees from two counties to ten and added controversial §22-4803 and §22-4803A regarding agricultural field burning. Rules are included under the Idaho Administrative Procedures Act (IDAPA) 02.06.16.100)

Uses: The Department may use moneys from the Agricultural Smoke Management Fund as appropriated annually by the legislature for: research to develop alternative crops which do not require burning, improve burning and cultural practices for crops which may require burning, explore alternatives to burning, and if appropriate, study and evaluate any public health impacts of burning. The legislature moved this fund from the Department of Environmental Quality to the Department of Agriculture beginning in FY 2004 (§22-4804).

Fund: Agricultural Inspection (0330-00)

Sources: All moneys received by the Department of Agriculture for any inspection, which the department by law may be authorized or required to make, except those moneys specifically received for and credited to another fund or funds, shall be credited to the Agriculture Department Inspection Fund, which is hereby created in the treasury of the State of Idaho (§22-104).

Tax on bees - Assessment-Collection-Proceeds. (A) There is hereby levied upon each beekeeper within the State of Idaho a registration fee of ten dollars (\$10) for up to fifty colonies. Each additional colony in excess of the first fifty (50) colonies shall be assessed at the rate of ten cents (\$0.10) per colony. (B) The tax assessed for colonies in excess of fifty (50) colonies may be increased to no more than twenty cents (\$0.20) per hive or colony per year, if approved by the majority of the beekeepers voting in a referendum held for the purpose of determining whether such levy of the tax shall or shall not be changed. If the levy of the tax is changed, the levy of the tax will continue annually at the changed rate until again changed by another referendum (§22-2536).

Every livestock market operator pays annually a market charter fee not to exceed \$200 to the Director of Agriculture for each public livestock market operated by him or her. The payment constitutes a renewal of his or her license for one year (§25-1728).

Uses: All moneys coming into this fund from whatever sources are hereby appropriated and set aside for the uses and purposes of the Department of Agriculture, including administrative expenses of the department, salaries or wages of the director and of subordinates and employees, expenses of travel, communication, supplies, equipment, fixed charges, inspection, and all other necessary expenses of the Department of Agriculture in carrying out its functions and the duties enjoined on it by law, not otherwise provided for, and this appropriation is intended as a continuing appropriation of said fund for the uses and purposes herein mentioned; and all claims against the said Agriculture Department Inspection Fund shall be examined by said Department of Agriculture and certified to the State Controller, who shall, upon the approval of the Board of Examiners, draw warrants against said Agricultural Department Inspections Fund for all bills and claims so allowed by said Department of Agriculture (§22-105).

The fee collected is used to pay the salary of apiary inspectors and the administration of the apiary certification program (§22-2519).

It is the purpose of the Public Livestock Market Board to encourage the construction, development and productive operation of public livestock markets and trade areas (§25-1720).

Fund: Weights and Measures Inspection (0330-12)

Sources: The Department is authorized to charge fees for the licensing of weighing and measuring device to compensate the State for the expense of administering weights and measures laws. The fees are set by rule and deposited with the State Treasurer to the weights and measures fund, which is established in §71-1210.

Uses: The fees shall be collected to allow the Department of Agriculture to enforce the weights and measures laws (§71-1110), test weights and measures used in public institutions (§71-1120), inspect and test commercially-used weights and measures (§71-1130), enforce orders (§71-1160), verify weights and measures of contents of packages, and provide other services. The legislature first authorized these fees for fiscal year 2004. The fees will be used to pay part of the personnel and operating costs for the inspectors and the administration of the program. However, General fund monies will still support two-thirds of the costs of the weights and measures program.

Fund: Agricultural Fees - Sheep Industry Regulation (0332-03)

Sources: An annual assessment, not to exceed six cents (6 cents) per pound on all wool, in the grease basis, sold through commercial channels, is levied on all wool (tags, crutchings, dead wool exempt) produced within Idaho. In the event that a sheep, which produces wool subject to this assessment, shall be located outside the state of Idaho during a part of the assessment year, the amount of the assessment shall be reduced on a pro rata basis. Such assessment shall be levied and assessed to the producer at the time of the first sale of wool and shall be deducted by the first purchaser from the price paid to the producer at the time of such first sale. The assessment provided in this section shall not be levied or collected on any casual sale (§25-131). The current assessment is 6 cents per pound (IDAPA 02.08.01.350.01) and is distributed 3 cents for animal health and 3 cents for animal damage control.

A separate assessment of up to four (4) cents per pound of wool marketed (§25-159) is used for marketing, research, education, and promotion of the sheep, lamb, and wool industry (§25-154) and is not included in the Sheep Industry Regulation Fund. Those funds are not retained in the state treasury and are continuously appropriated (§25-156). The current assessment effective April 1999 is two (2) cents per pound.

A tax not to exceed five (5) cents per head is collected by the State Brand Inspector upon cattle, horses, and mules in Idaho and deposited in Sheep Commission Fund and the Board of Sheep Commissioners shall quarterly transmit the proper share of such moneys to the Animal Damage Control Districts (§25-232b). The assessment was increased effective January 1, 1998 from 3 to 4 cents per head to provide assistance to feedlots and dairy operations for control of starlings and magpies (IDAPA 11.02.01.034.01).

Uses: The objectives of the Sheep Commission are to perform all those duties and powers necessary for the supervision of sheep, handling of sheep, shipping, transporting or moving of sheep, regulation of sheep, eradication of all disease among sheep, the making of all rules and regulations concerning sheep and all other matters pertaining to sheep either in the state of Idaho or which may be brought into or shipped from the state of Idaho (§25-128). A portion of the assessment are dedicated to the Animal Damage Control (ADC) program.

Fund: Agricultural Fees - Commercial Feed and Fertilizer (0332-04)

Sources: Each type of commercial feed except customer-formula feed shall be registered and accompanied by a fee of \$5.00 except those feeds sold in packages of 10-pounds or less shall be registered for a fee of \$25.00 (§25-2718a).

Each brand and grade of commercial fertilizer is registered with the Department of Agriculture by a fee of \$25.00 per brand except those brands or grades sold in packages of 25 pounds or less are registered at a fee of \$25.00 each, plus a penalty late collection fee of \$10.00 (§22-605).

Each soil amendment and plant amendment offered for sale or sold in Idaho is registered annually by a fee of \$25.00 for each product, plus a late penalty fee of \$10.00 per product (§22-2205).

An inspection fee of not more than 20 cents per ton is paid to the Department of Agriculture for all commercial feeds offered for sale, sold or otherwise distributed (§25-2720). In case of commercial feeds which are distributed in the state in packages of 10 pounds or less, an annual registration fee of \$25.00 per product shall be paid in lieu of an inspection fee (§25-2720).

Every commercial fertilizer which is sold in this state in packages weighing greater than 25 pounds shall pay an inspection fee of 15 cents per ton (§22-608).

Every soil amendment and plant amendment which is sold in this state shall pay an inspection fee of 10 cents per gallon of liquid or soil amendment or 10 cents per 500 pounds of dry material soil or plant amendment (§22-2206).

Uses: The inspection fee is used to pay the costs of inspection, sampling, and other administrative expenses (§25-2720). Moneys received from the registration of brands and the inspection fee are used to purchase samples of feeds and fertilizers for testing and analysis, for making or procuring analyses to be made, and for printing of forms, licenses, and other records (§22-619).

Fund: Agricultural Fees - Pesticides (0332-05)

Sources: Every pesticide which is distributed, sold or offered for sale within Idaho is registered annually with the Department of Agriculture (§22-3402). The registrant pays an annual fee as prescribed by rule; if renewal is not filed with the department prior to January 1 of each year, a late penalty fee of \$5 per product shall be assessed.

Private and professional pesticide applicators and dealers must obtain a license issued by the Department of Agriculture. Each applicant must pay a license fee as prescribed by rule.

- 1) Every person wanting to obtain a pesticide license must first pass an examination to show competency. Each professional pesticide applicator and restricted-use pesticide dealer must pay an examination fee for each category in which he or she tests as prescribed by rule (§22-3404).
- 2) Every person who applies pesticides or fertilizers through an irrigation system must certify and obtain a professional or private pesticide applicators license with a chemigation category as prescribed by rule (§22-3404).
- 3) Any applicant requesting an exam at other than regularly scheduled exam dates must pay an additional examination fee of \$5 (§22-3404).

Uses: The income in this fund is used for administering the Pesticide Law (§22-3415).

Fund: Agricultural Fees - Livestock Disease Control (0332-06)

Sources: The Division of Animal Industries can recover expenses incurred for disease control as provided by law (§25-207). Those moneys received by the Division are credited to the Livestock Disease Control and T.B. Indemnity Fund (§25-219, §25-616).

The Division of Animal Industries is authorized to charge every applicant for an artificial insemination license a fee of \$25 and \$5 for a renewal. All receipts are placed in the Livestock Disease Control Fund (§25- 807).

A fee of 22 cents per head is collected by the State Brand Inspector upon cattle, horses, and mules brand inspected in Idaho and the fee is deposited in the State Treasury in the Livestock Disease Control and T.B. Indemnity Fund (§25-232).

An assessment of 6 cents per head is levied on porcine animals (pigs) sold in the state (§25-3404).

A license fee of \$100 the first year and \$50 per year for renewal is assessed on domestic cervidae producers. In addition, an annual fee of \$2.50 (deer) or \$5.00 (elk) per head is assessed on domestic cervidae (§25-207, §25-3708).

Uses: The moneys in this fund are used to pay for livestock disease control programs and deputy veterinarians' and inspectors salaries, travel expenses, cooperating with the U.S. Bureau of Animal Industry in maintaining laboratories, laboratory equipment expense, for the payment of indemnities for tubercular cattle slaughtered, and for other disease control activities (§25-233).

Funds collected from the porcine assessment are used for the conduction of swine disease control programs (§25-3406).

Funds collected from cervidae license and assessment are used to conduct the cervidae program and for cervidae disease control (§25-3708).

Funds may be received into this account from any source including, but not limited to, donations, gifts, grants, federal funds, sheep commission funds, or appropriations from general or dedicated accounts. Moneys received into this account shall be deposited with the state treasurer to the credit of the sheep and goat disease indemnity fund.

Uses: Moneys deposited into this account may only be used to indemnify owners whose animals or herds have been condemned or destroyed or otherwise disposed of by direction of the board, and for property destroyed, for labor employed in digging trenches, and for cleaning and disinfecting of premises where infected or exposed sheep and goats have been kept. Indemnity shall only be paid to an owner of sheep or goats for any animals or herds diagnosed to be infected with or exposed to scrapie or any other contagious, infectious or communicable disease, as determined by the board, for sheep or goats born in Idaho or sheep or goats imported in compliance with existing Idaho statutes or rules promulgated pursuant thereto.

Fund: Livestock Disease Deficiency (0335-00)

Sources: Whenever the director declares an emergency, as provided in section 25-212, Idaho Code, the director shall cause the disease to be controlled and eradicated, using such funds as have been appropriated or may hereafter be made available for such purposes; provided, that whenever the cost of disease control and eradication exceeds the funds appropriated or otherwise available for that purpose, the state board of examiners may authorize the issuance of deficiency warrants against the general fund for up to five million dollars (\$5,000,000) in any one (1) year for such disease control and eradication (§25-212A).

Uses: The director, in executing the provisions as it relates to disease control and eradication, shall have the authority to cooperate with federal, state, county and municipal agencies and private citizens in disease control and eradication efforts; provided, that the state funds shall only be used to pay the state's share of the cost of the disease control and eradication efforts. Disease control and eradication costs may include costs for inspection, diagnosis of disease, indemnity paid to owners for infected, exposed or disease susceptible animals purchased and destroyed by order of the director, costs associated with burial or disposal of animal carcasses, and costs for cleaning and disinfecting of infected premises. Such moneys as the state shall thus become liable for shall be paid as a part of the expenses of the department of agriculture out of appropriations which shall be made by the legislature for that purpose. In all appropriations hereafter made for expenses of the department of agriculture, account shall be taken of and provision made for this item of expense.
